Section 1 - Introduction

This directory provides a list of Molina Medicare’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

While you are a member of our Plan, you must use network providers to get your covered services except in limited cases such as emergencies, for urgently needed out-of-area care, or for out-of-area dialysis services.

RECEIVING CARE

You will have to choose one of our network providers who are listed in this directory to be your **Primary Care {Physician/ Provider}** (PCP). The term “PCP” will be used throughout this directory. Generally, you must get your health care coverage from your PCP. There are only a few types of covered services you can get on your own, without getting a referral (approval in advance) from your PCP.

WHAT IS A PRIMARY CARE PHYSICIAN/PROVIDER (PCP)?

A PCP has a contract with Molina Medicare to deliver primary care services to members. He/she can be a physician, nurse practitioner, or other health care professional who meets state requirements and is trained to give you basic medical care. Health professionals are eligible to provide services as PCPs in our Plan when they practice in the areas of family medicine, general practice, geriatrics, internal medicine, or obstetrics/gynecology.

A PCP is medically trained to take care of your routine or basic health care needs and is primarily responsible for the coordination of your care. In most cases, you must see your PCP to get a referral before you see any other health care provider.

CHOOSING YOUR PCP

Selecting a PCP is up to you. Your relationship with your PCP is an important one. We strongly recommend that you choose a PCP close to home. Having your PCP nearby makes receiving medical care and developing a trusting and open relationship easier.

If there is a particular specialist or hospital that you want to use, check first to be sure that your PCP can make referrals to that specialist or uses that hospital.

When making your choice, you might also consider if the PCP’s office is open evenings and/or weekends and what languages the PCP and staff speak. If you have specific concerns such as disability access, you may want to call the provider’s office to get the answers you need to help you pick the right PCP.

Once you have chosen your PCP we recommend that you have all your medical records transferred to his/her office. This will provide your PCP access to your medical history and make him/her aware of any existing health care conditions that you may have. Refer to your Evidence of Coverage for information about how we protect the privacy of your medical records and personal health information.

Your PCP is now responsible for all your routine health care services, so he/she should be the first one you call with any health concerns. The name of your PCP and the office telephone number is printed on your membership card.

Section 1 - Introduction

continued

GETTING CARE FROM YOUR PCP

Your PCP will provide, arrange, and/or coordinate all your routine medical care. You are encouraged to develop a close relationship with your PCP. He/she will get to know you as an individual, become acquainted with your medical history, and assist in developing a health care program to fit your lifestyle and medical needs. Your PCP will provide most of your care and will help you arrange or coordinate laboratory tests, X-rays, therapies, specialty care, hospital admissions, and follow-up care. Except for emergency services or as stated elsewhere in the Evidence of Coverage, services and supplies obtained without an advance referral from your PCP will not be covered under your Plan.

HOW TO CHANGE YOUR PCP?

You may change your PCP for any reason, at any time. To change your PCP, simply call Member Services at 1-800-665-0898, Monday through Sunday, 8:00 AM to 8:00 PM, local time. TTY/TDD users should call 1-800-346-4128.

When you call, be sure to tell Member Services if you are seeing specialists or getting other covered services that needed your PCP's approval (such as home health services and durable medical equipment). Member Services will help make sure that you can continue with the specialty care and other services you have been getting when you change to a new PCP. They will also check to be sure that the PCP you want to switch to is accepting new patients.

Member Services will change your membership record to show the name of your new PCP, and will tell you when the change will take effect. They will also send you a new membership card that shows the name and phone number of your new PCP.

WHAT IF YOUR DOCTOR OR PROVIDER LEAVES MOLINA MEDICARE?

Sometimes a doctor, specialist, clinic, or other network provider that you are using might leave the Plan. If this happens, you will have to switch to another provider who is part of the Molina Medicare plan.

If your PCP leaves Molina Medicare, we will let you know and help you switch to another PCP so that you can continue to receive covered services.

GETTING CARE FROM SPECIALISTS AND OTHER NETWORK PROVIDERS

Routine medical care will be provided by your PCP. During the course of treatment, your PCP may decide that you need specialized treatment and give you a "referral" (approval in advance) to see a network specialist.

A **specialist** is a provider who renders health care services for a specific disease or part of the body. There are many kinds of specialists such as oncologists who treat patients for cancer; cardiologists who care for patients with heart conditions; and orthopedists who care for patients with certain bone, joint, or muscle conditions.

Molina Medicare maintains a network of specialty providers to care for its Members. A referral from your PCP is required to receive specialty services; however, no prior authorization is required when your PCP refers you to a network provider.

At times, your PCP may request a service that is unavailable or not provided within your network. He/she may need to get approval ahead of time from Molina Medicare to authorize this type of specialty referral. This process is called "prior authorization." If you have questions or concerns about a prior authorization, you may call Member Services at 1-800-665-0898, Monday through Sunday, 8:00 AM to 8:00 PM, local time. TTY/TDD users should call 1-800-346-4128.

It is very important to get a referral from your PCP before you see a network specialist or certain other providers (there are a few exceptions, including routine and preventive women's health care).

Section 1 - Introduction

continued

If you don't have a referral before you get services from a specialist, you may have to pay for these services yourself.

Each PCP has certain network specialists they use for referrals. The Molina Medicare specialists you can use may depend on which PCP you choose. If there are specific specialists you want to use, find out whether your PCP refers patients to these specialists.

You can change your PCP at any time if you want to see a network specialist that your current PCP does not refer to. If you want to change your PCP, simply call Member Services at 1-800-665-0898, Monday through Sunday, 8:00 AM to 8:00 PM, local time. TTY/TDD users should call 1-800-346-4128.

If there are specific hospitals you wish to use, find out whether your PCP uses these hospitals.

The “network providers” listed in this directory have agreed to provide you with your health care, coverage. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers. If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get the service or care.

In case you receive a bill from a non-contracting provider do not pay this bill, please submit the bill to Molina Medicare for processing and determination of your liability if any.

GETTING CARE IF YOU HAVE A MEDICAL EMERGENCY OR AN URGENT NEED FOR CARE

A “medical emergency” is when you believe that your health is in serious danger. A medical emergency includes severe pain, a bad injury, a sudden illness, or a medical condition that is quickly getting much worse. You may get covered emergency medical care whenever you need, anywhere in the United States. Get medical help as quickly as possible. Call 911 for help or go to the nearest emergency room, hospital, or urgent care center. You don't need to get approval or a referral first from your doctor or other network provider.

“Urgently needed care” is when you need medical help for an unforeseen illness, injury, or condition, but your health is not in serious danger. If you have a pressing, non-emergency medical need while in the service area, you generally must use network providers (refer to the Evidence of Coverage). If, while temporarily outside the Plan's service area, you require urgently needed care, then you may get this care from any provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider. If you obtain routine care from out-of-network providers neither Medicare nor Molina Medicare will be responsible for the costs.

GETTING CARE WHEN TRAVELING OUTSIDE THE PLAN'S SERVICE AREA

If you need care when you are outside the service area, your health care coverage is limited. The only services covered when you are outside the service area is care for a medical emergency, including urgently needed care, renal dialysis (kidney), and care that Molina Medicare or a network provider has approved in advance.

If you have questions whether a service is covered when you travel, please call Member Services at 1-800-665-0898, Monday through Sunday, 8:00 AM to 8:00 PM, local time. TTY/TDD users should call 1-800-346-4128.

Esta información se encuentra disponible gratuitamente en otros idiomas. Para mayor información, puede llamar a nuestro servicio al cliente al 1-800-665-3086 o al TTY 1-800-346-4128, de lunes a domingo de 8:00 a.m. a 8:00 p.m., hora local.

Sección 1 – Introducción

Este directorio incluye una lista de los proveedores de la red de Molina Medicare. Para obtener información detallada acerca de su cobertura de salud, sírvase ver su Evidencia de cobertura.

Cuando sea miembro de nuestro Plan, tendrá que usar los proveedores de nuestra red para que los servicios estén cubiertos, excepto en casos limitados a emergencias, atención necesaria urgente fuera del área o servicios de diálisis fuera del área.

CÓMO RECIBIR ATENCIÓN

Usted deberá elegir uno de los proveedores de nuestra red, el cual se detalla en este directorio para que sea su {Proveedor/Médico} de Atencción Primaria (PCP). El término “PCP” se aplicará a lo largo de este directorio. Por lo general, usted deberá recibir su cobertura de salud de su PCP. Sólo hay algunos tipos de servicios cubiertos que puede obtener por su cuenta, sin una remisión (aprobación previa) de su PCP.

¿QUÉ ES UN PROVEEDOR/MÉDICO DE ATENCIÓN PRIMARIA (PCP)?

Un PCP tiene un contrato con Molina Medicare para prestar servicios de atención primaria a los miembros. Un PCP puede ser un médico, enfermero practicante u otro profesional de atención médica que cumple con los requisitos del estado y está capacitado para brindarle atención médica básica. Los profesionales de salud cumplen con los requisitos para prestar servicios como PCP de nuestro Plan cuando ejercen en las áreas de medicina de familia, medicina general, geriatría, medicina interna u obstetricia/ginecología.

Un PCP cuenta con capacitación médica para atender sus necesidades de atención de médica básica o de rutina y es el principal responsable de coordinar su atención. En la mayoría de los casos, debe ver a su PCP para obtener una remisión antes de ir a cualquier otro proveedor de atención médica.

CÓMO ELEGIR SU PCP

La elección de su PCP depende de usted. La relación con su PCP es importante. Le recomendamos que elija un PCP cerca a su casa. Tener a su PCP cerca hace que sea más fácil recibir atención médica y entablar una relación abierta y de confianza.

Si usted desea consultar a un especialista o usar un hospital en particular, asegúrese de verificar primero que su PCP pueda hacer remisiones a dicho especialista o que usa dicho hospital.

Al elegir un PCP, también sería conveniente considerar si el consultorio del PCP está abierto de noche y/o los fines de semana, así como los idiomas que hablan el PCP y el personal del consultorio. Si tiene dudas específicas como el acceso para personas con discapacidad, puede llamar al consultorio del proveedor para recibir las respuestas que necesite para elegir al PCP adecuado.

Una vez que haya elegido a su PCP, le recomendamos que solicite la transferencia de todos sus registros médicos al consultorio de dicho proveedor. De esta manera, su PCP tendrá acceso a su historia clínica y se informará de cualquier afección médica que pueda tener. Para obtener información sobre cómo protegemos la privacidad de sus registros médicos e información de salud personal, consulte su Evidencia de cobertura.

Actualmente, su PCP es responsable de todos sus servicios de atención médica de rutina, por tanto debe ser la primera persona a quien llame si tiene alguna inquietud acerca de su salud. El nombre de su PCP y el número telefónico del consultorio están impresos en su tarjeta de membresía.

Sección 1 – Introducción

Continuación

CÓMO OBTENER ATENCIÓN MÉDICA DE SU PCP

Su PCP brindará, organizará y/o coordinará toda su atención médica de rutina. Le recomendamos que entable una relación estrecha con su PCP. Para que éste pueda conocerlo como persona, se familiarice con su historial médico y le ayude a desarrollar un programa de atención médica de acuerdo a su estilo de vida y sus necesidades médicas. Su PCP le brindará la mayor parte de su atención y le ayudará a organizar y coordinar los análisis de laboratorio, las radiografías, los tratamientos, la atención especializadas, las admisiones al hospital y la atención de seguimiento. A excepción de los servicios de emergencia o según se establece en otra sección de la Evidencia de cobertura, los servicios y suministros obtenidos sin una remisión previa de su PCP no estarán cubiertos por su Plan.

¿CÓMO CAMBIAR SU PCP?

Puede cambiar de PCP por cualquier razón, en cualquier momento. Para cambiar de PCP, simplemente llame a Servicios al miembro al 1-800-665-0898, de lunes a domingo de 8:00 a.m. a 8:00 p.m., hora local. Los usuarios de TTY/TDD deberán llamar al 1-800-346-4128.

Cuando llame, asegúrese de decir al representante de Servicios al miembro si está viendo a algún especialista o si está recibiendo otros servicios cubiertos que necesitan la aprobación de su PCP (tales como servicios de atención médica a domicilio y equipo médico duradero). El representante de los Servicios al miembro le ayudará a asegurarse de que pueda continuar con la atención especializada y otros servicios que haya estado recibiendo cuando cambie a un nuevo PCP. Asimismo verificará que el PCP al que usted desea cambiar esté aceptando nuevos pacientes.

Un representante de los Servicios al miembro cambiará su registro de membresía que incluirá el nombre de su nuevo PCP y le informará cuando entrará en vigor el cambio de PCP. Asimismo recibirá una nueva tarjeta de membresía en la que se incluirán el nombre y número telefónico de su nuevo PCP.

¿QUÉ SUCEDE SI SU MÉDICO O PROVEEDOR SE RETIRA DE MOLINA MEDICARE?

En algunas ocasiones un médico, especialista, clínica u otro proveedor de la red que lo atiende podría retirarse del Plan. Si ocurre el caso, tendrá que cambiar a otro proveedor que forma parte del plan de Molina Medicare.

Si su PCP deja Molina Medicare, será informado y le ayudaremos con el cambio a otro PCP a fin de que pueda continuar recibiendo los servicios cubiertos.

CÓMO RECIBIR ATENCIÓN MÉDICA DE ESPECIALISTAS Y OTROS PROVEEDORES DE LA RED

Su PCP le brindará la atención médica de rutina. Durante el tratamiento, es posible que su PCP decida que usted necesita de un tratamiento especializado y le entregará una “remisión” (aprobación previa) para ver a un especialista de la red.

Un **especialista** es un proveedor que brinda servicios de atención médica por una enfermedad específica o una parte específica del cuerpo. Existen muchas clases de especialistas, como los oncólogos que tratan pacientes con cáncer; los cardiólogos que tratan pacientes con afecciones del corazón y los ortopedistas que tratan pacientes con ciertas afecciones a los huesos, articulaciones o músculos.

Molina Medicare mantiene una red de proveedores especialistas para atender a sus miembros. Para recibir servicios especializados necesita la remisión de su PCP. Sin embargo, no necesita una autorización previa cuando su PCP lo remite a un proveedor de la red.

Sección 1 – Introducción

Continuación

A veces, su PCP puede solicitarle un servicio que no esté disponible o que no se brinde dentro de su red. Es posible que su PCP tenga que obtener la aprobación previa de Molina Medicare para autorizar este tipo de remisión especial. A este proceso se le llama “autorización previa”. Si tiene alguna pregunta o duda sobre la autorización previa, llame al representante del Servicio al miembro al 1-800-665-0898, de lunes a domingo de 8:00 a.m. a 8:00 p.m., hora local. Los usuarios de TTY/TDD deberán llamar al 1-800-346-4128.

Es muy importante obtener la remisión de su PCP antes de consultar a un especialista u otros proveedores de la red (salvo algunas excepciones como la atención médica preventiva y de rutina para la mujer).

Si no tiene una remisión antes de recibir los servicios de un especialista, es posible que usted tenga que pagar por dichos servicios.

Cada PCP cuenta con ciertos especialistas de la red para hacer las remisiones. Los especialistas de Molina Medicare a los que usted puede recurrir dependerán del PCP elegido. Si usted desea consultar a un especialista específico, averigüe si su PCP remite pacientes a dicho especialista.

Puede cambiar su PCP en cualquier momento, si desea consultar a un especialista de la red al cual su PCP actual no pueda remitirlo. Si desea cambiar de PCP, simplemente llame a la división de Servicios al miembro al 1-800-665-0898, de lunes a domingo de 8:00 a.m. a 8:00 p.m., hora local. Los usuarios de TTY/TDD deberán llamar al 1-800-346-4128.

Si usted desea emplear hospitales específicos, averigüe si su PCP trabaja con dichos hospitales.

Los “proveedores de la red” incluidos en el presente directorio han aceptado brindarle cobertura de atención médica. Usted puede atenderse con cualquiera de nuestros proveedores incluidos en el presente directorio. Sin embargo, es posible que algunos servicios requieran de una remisión. Si usted se ha estado atendiendo con un proveedor en la red, no es necesario que continúe con el mismo proveedor. En algunos casos, puede obtener servicios cubiertos de proveedores no incluidos en la red. Si usted tiene alguna duda sobre si pagaremos algún servicio o atención médica que esté considerando, tiene derecho de preguntar si lo cubriremos antes de recibir tal servicio.

En caso de que reciba una factura de un proveedor no contratado, no la pague. Por favor, remita la factura a Molina Medicare para que la procese y determine su responsabilidad, si la hubiere.

CÓMO OBTENER ATENCIÓN SI TIENE UNA EMERGENCIA MÉDICA O UNA NECESIDAD URGENTE DE ATENCIÓN

Una “emergencia médica” es cuando usted cree que su salud está en grave peligro. Una emergencia médica incluye dolor intenso, una lesión grave, una enfermedad repentina o una afección médica que empeore rápidamente. Usted puede obtener atención médica de emergencia cubierta cuando lo necesite, en cualquier lugar de los Estados Unidos. Obtenga ayuda médica lo antes posible. Llame al 911 para obtener ayuda o acuda a la sala de emergencias, hospital o centro de atención médica más cercano. No es necesario que primero obtenga una aprobación o remisión de su médico u otro proveedor de la red.

“Atención urgente” es cuando usted necesita ayuda médica debido a una enfermedad, lesión o afección no prevista, pero su salud no está en grave peligro. Si tiene una necesidad médica urgente mientras se encuentra en el área de servicio, generalmente deberá recurrir a los proveedores de la red (consulte su Evidencia de cobertura). Si requiere de una atención médica urgente mientras se encuentra temporalmente fuera del área de servicio del plan, puede recibir esta atención de cualquier otro proveedor. Además, cuando se encuentre fuera del área de servicio, puede obtener tratamiento de diálisis de cualquier proveedor de diálisis calificado. Si recibe atención de rutina de proveedores no incluidos en la red, Medicare o Molina Medicare no se responsabilizarán de los costos.

Sección 1 – Introducción

CÓMO OBTENER ATENCIÓN CUANDO VIAJA FUERA DEL ÁREA DEL SERVICIO DEL PLAN

Si necesita atención cuando se encuentre fuera del área de servicio, su cobertura de atención médica será limitada. Los únicos servicios cubiertos cuando se encuentre fuera del área del servicio será una emergencia médica, incluida la atención urgente, la diálisis renal y la atención que Molina Medicare o un proveedor de la red haya aprobado previamente.

Si tiene alguna pregunta o duda sobre la autorización previa, llame a Servicios a los miembros al 1-800-665-0898, de lunes a domingo de 8:00 a.m. a 8:00 p.m., hora local. Los usuarios de TTY/TDD deberán llamar al 1-800-346-4128.

Molina Medicare Pharmacy Directory

This booklet provides a list of Molina Medicare's network pharmacies. This directory is for Sacramento. We also list pharmacies that are in our network but are outside Sacramento. Please contact Molina Medicare at 1-800-665-0898, Monday through Sunday, 8:00 AM to 8:00 PM, local time. TTY/TDD users should call 1-800-346-4128, for additional information. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about Molina Medicare network pharmacies in your area, please visit our Web site at www.molinamedicare.com or call our Member Services at 1-800-665-0898, Monday through Sunday, 8:00 AM to 8:00 PM, local time. (TTY/TDD Users should call 1-800-346-4128.)

Beneficiaries must use network pharmacies to access their prescription drug benefit. Benefits, formulary, pharmacy network, premium and/or copayments/coinsurance may change on January 1, 2013.

A Health Plan with a Medicare Contract

A coordinated Care plan with a Medicare Advantage contract and a contract with the [state] Medicaid program.

This information is available for free in other languages. Please contact our member service number at 1-800-665-0898 for additional information, Monday through Sunday, 8:00AM to 8:00PM, local time. TTY/TDD users please call 1-800-346-4128.

Esta información está disponible gratuitamente en otros idiomas. Para información adicional, favor de llamar a nuestro departamento de Servicios para Miembros de lunes a domingo de las 8:00 a.m. a las 8:00 p.m. tiempo local al: 1-800-665-0898 o al TTY/TDD al: 1-800-346-4128.

Introduction

This booklet provides a list of Molina Medicare’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Molina Medicare’s formulary. If you have additional questions, please call our Member Services at 1-800-665-0898, Monday – Sunday, 8:00 AM to 8:00 PM, local time. TTY/TDD Users should call 1-800-346-4128. Or, visit www.molinamedicare.com.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Molina Medicare. In most cases, your prescriptions are covered under Molina Medicare only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Plan de Molina Medicare

Directorio de farmacias

Este folleto incluye una lista de las farmacias de la red de Molina Medicare. Este directorio corresponde al condado de Sacramento. También incluimos una lista de las farmacias que forman parte de nuestra red pero que se encuentran fuera de Sacramento. Por favor, sírvase contactar a Molina Medicare al 1-800-665-0898 de lunes a domingo de 8:00 a.m. a 8:00 p.m., hora local. Para mayor información, los usuarios de TTY/TDD deberán llamar al 1-800-346-4128. Es posible que todas las farmacias no estén incluidas en este directorio. Es posible que se hayan agregado o eliminado algunas farmacias de la lista después de la impresión de este directorio. Para obtener la información más actualizada de las farmacias de la red de Molina Medicare en su área, puede visitar el sitio web www.molinamedicare.com o llamar a nuestro Servicios al miembro al 1-800-665-0898, de lunes a domingo de 8:00 a.m. a 8:00 p.m., hora local. (Los usuarios de TTY/TDD deberán llamar al 1-800-346-4128).

Los beneficiarios tendrán que usar la red de farmacias para acceder a sus beneficios de medicinas con receta. Los beneficios, el formulario, la red de farmacias, la prima y/o copagos/el coseguro pueden cambiar a partir del 1 de enero de 2013.

Plan de Salud con Contrato Medicare

Plan de atención médica coordinado con un contrato Medicare Advantage y un contrato con el programa Medicaid de [estado]

Esta información se encuentra disponible gratuitamente en otros idiomas. Para mayor información, puede llamar a nuestro servicio al miembro al 1-800-665-0898 de lunes a domingo de 8:00 a.m. a 8:00p.m., hora local. Los usuarios de TTY/TDD deberán llamar al 1-800-346-4128.

Introducción

Este folleto incluye una lista de las farmacias de la red de Molina Medicare. Para obtener la descripción completa de su cobertura para medicinas con receta, incluyendo cómo surtir sus recetas, por favor revise la Evidencia de Cobertura y el formulario de Molina Medicare. Si tiene alguna pregunta adicional, por favor llame a Servicios al miembro al 1-800-665-0898 de lunes a domingo de 8:00 a.m. a 8:00 p.m., hora local. Los usuarios de TTY/TDD deberán llamar al 1-800-346-4128, o visitar el sitio web www.molinamedicare.com

Llamamos a las farmacias de nuestra lista “farmacias de la red” porque hicimos arreglos con éstas para que proporcionen medicinas con receta a los miembros del Plan. Una farmacia de la red es aquella en la que los beneficiarios obtienen beneficios para medicinas con receta ofrecidas por Molina Medicare. En la mayoría de los casos, Molina Medicare cubrirá sus recetas sólo si se surten las recetas en una farmacia de la red o a través de nuestro servicio de pedido por correo. Una vez que acuda a una de las farmacias, no es necesario que continúe acudiendo a la misma para surtir su receta. Usted puede ir a cualquiera de las farmacias de nuestra red. Surtiremos recetas en farmacias fuera de la red bajo ciertas circunstancias conforme se describe en la Evidencia de cobertura.
