

Molina Medicare wants to make taking care of your health a little easier. To do that, we are offering an Over-the-Counter (OTC) benefit that you can use in many different ways. We have partnered with CVS Caremark so that you can order the health and wellness products you need most. Ordering is easy. Call us toll free or order online. You can go online to [www.CVS.com/otcmolina](http://www.CVS.com/otcmolina) or place an order by telephone. The products come right to your door.

Or, you may purchase the items described in the catalog below at any pharmacy, and then submit the invoice or receipt for reimbursement under your monthly OTC benefit.

Either way, you pay nothing for these items if you stay within your monthly OTC benefit total. Make sure to spend your maximum benefit amount; what you don't use expires at the end of each month (no carryover).

**For more information or to order,  
call the Molina Medicare OTC benefit administrator:  
1-888-700-7662  
TTY: 1-877-279-0371**

**Visit us online anytime at [www.CVS.com/otcmolina](http://www.CVS.com/otcmolina)**

- Once you become a member, your CVS ExtraCare card will be mailed to you.
- Until you receive your card (usually within 3 – 4 weeks), you may use your Molina Medicare ID card membership to start using your OTC benefit.
- Locate your Member Id number (CVS ID is your ExtraCare Health Card). You must have your ID number to access your account.
- Choose your items and have them available when you call or go online.
- Total all of your items. Be sure to stay within your available monthly benefit amount if you do not want to pay additional costs.
- Allow 7-10 days for shipping. Product specifications are subject to change and prices are subject to change without notice.

*\*Shipping is free when you order once a month. A flat rate of \$5.49 is charged for any additional shipments, outside of your one free shipment a month. Checks, money orders, American Express, Master Card and Visa are accepted. Benefit amount varies by plan. Check your 2012 Evidence of Coverage for your plan's benefit amount.*

## Important Things to Remember:

Only those items listed within this catalog are covered under your Molina Medicare OTC non-prescription drugs benefit. All orders are accepted and shipped according to the terms and conditions explained below:

- Your OTC benefit expires at the end of each month. Future month's benefit amounts do not apply.
- You pay no shipping cost when you order once monthly. For additional orders, a \$5.49 flat rate shipping charge applies. Surcharges for overweight items may occur for these additional orders.
- You will be notified if an item is out of stock and if the item may take longer for delivery.
- Should you receive a damaged product, please contact CVS Caremark within 72 hours at 1-888-607-4287 or TTY 1-877-279-0371 or via email at [customercare@cvs.com](mailto:customercare@cvs.com).
- Any product with a \* next to it is considered dual purpose by CMS. Prior to the purchase of a dual purpose product you must have appropriate conversations with your personal provider, and the personal provider must orally recommend the OTC item for a specific diagnosable condition.
- Any product with B or D next to it is also covered under your Part B or Part D Medicare benefit. If you access these products through the OTC benefit, you will be unable to obtain them through Part B or Part D for the month in which the selection was made.
- If you would prefer to submit invoices for reimbursement, rather than using the phone or web-based services, please submit a copy of your invoice or receipt to Molina Medicare, 7050 Union Park Ave. Suite 200, Midvale, UT 84047. Your request will be reviewed and a check will be mailed to your physical address within four weeks.
- Please remember this is an individual benefit provided to you by Molina Medicare. This benefit should not be used to purchase items for family, friends or anyone else. You must utilize your benefit amount for yourself only.

### A Health Plan with a Medicare Contract

A Coordinated Care plan with a Medicare Advantage contract and a contract with the state Medicaid program.
